NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Office of Minority Health

Mission Statement

The mission of the office is to improve the health of racial and ethnic minority populations through the development of policies and programs that will help eliminate health disparities.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Funding Opportunity Description

The National Workforce Diversity Pipeline Program seeks to address health disparities among racial and ethnic minorities by supporting networks of institutions focused on, and with demonstrated commitment and capacity to establish pipeline programs to increase minority and disadvantaged students' awareness of and pursuit in the areas of health care and behavioral health and increase the availability of science, technology, engineering, and mathematics (STEM) education programs.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

PURPOSE - see FOA page 7

The National Workforce Diversity Pipeline Program will help to fill this gap in the educational pipeline by focusing on:

1. The early stage of the workforce pipeline (i.e., beginning at high school level which is a pivotal stage in developing math and science self-efficacy) and continuing through undergraduate education;
2. The broader area of the health care workforce; and
3. Increasing the diversity of those who will be successful at upper levels of education and entering a professional career.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

PURPOSE (continued) - see FOA pages 7

The purpose of the National Workforce Diversity Pipeline program is to:

1. Develop a program with specific curriculum to **foster high school and undergraduate students'** interest and success in the health professions;
2. Increase positive attitudes and improve perception of their ability to enter a career in health care;

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

PURPOSE (continued) – see FOA pages 7

3. Encourage and support academic progression through high school graduation and undergraduate completion; and
4. Identify strategies and promising models to foster growth, development, and competency in careers that require strong underpinning in math and science.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

PURPOSE (continued) – see FOA pages 7 - 8

This solicitation will support projects to:

- A. Develop and establish pipeline programs to increase minority and disadvantaged high school and undergraduate students' awareness, knowledge and career pursuit in the areas of the health care and behavioral health professions.
- B. Pipeline programs are required to recruit and retain high school and undergraduate students to participate in college preparation programs, innovative bridge programs, and STEM programs.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Program Description - see FOA page 8

Applicants must propose to implement a project that will:

1. Establish and implement a structured program with a specific curriculum to foster students' interest in health care and/or behavioral health;
2. Develop criteria for competitive selection of prospective students for school year program;
3. Increase positive attitudes and improve perception of students' ability to participate in the STEM;

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Program Description (continued) – see FOA page 8

4. Encourage and support students' academic progression through high school graduation and undergraduate completion;
5. Provide necessary educational and supportive service networks to recruit and retain students for the entire project period; and
6. Identify the successful strategies and promising models to engage youth in STEM education programs that lead to careers in health care.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Office of Minority Health Expectations – see FOA pages 9 - 10

The Office of Minority Health expects the proposed National Workforce Diversity Pipeline program will:

- A. Expand diversity of the health professions pipeline.
- B. Increase the number of minority and disadvantaged students pursuing health care and behavioral health careers.
- C. Improve recruitment, retention and completion rates for high school and undergraduate minority and disadvantaged students' and improve rates of minority students' acceptance to graduate and health professions schools.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

OMH Expectations (continued) – see FOA pages 9 - 10

- D. Increase minority and disadvantaged students' awareness, knowledge, and pursuit of the areas of health care and behavioral health careers and increase the availability of STEM education programs.
- E. Increase the capacity of minority and disadvantaged students' participation and completion rates in STEM education programs and careers.
- F. Increase the number of culturally and socially competent minority and disadvantaged minority-serving health professionals.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Organization Capabilities – see FOA page 9

Applicant **must** provide evidence that its organization has the capability to establish and implement pipeline programs to increase minority and disadvantaged high school and undergraduate students' awareness, knowledge and career pursuit in the areas of health care and behavioral health.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 – 25

- **Executive Summary**

- This section should include a brief description of the proposed project, including: goal(s), objectives, outcomes, and products to be developed.

- **Problem Statement**

- This section should describe both quantitative and qualitative terms, the nature and scope of the specific and particular problem or issue, and the proposed intervention it is designed to address.
- It should detail how the project will potentially affect the target population, specific sub-groups with those populations, and other interested stakeholders as identified.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) see FOA page 18 - 25

- **Goals and Objectives**

- This section should consist of a description of the project’s goal(s) and major objectives.
- Unless the project involves multiple, complex interventions, we recommend you have only one overall goal.

- **Proposed Intervention**

- The section should provide a clear and concise description of the intervention you are proposing to use to address the need identified in the program announcement and the problem described in the “Problem Statement.”
- Applicants are expected to explain the rationale for using a particular intervention and to present a clear connection between identified system gaps and needs and the proposed activities.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 - 25

- **Special Target Populations and Organizations**
 - Describe how the proposed intervention will target minority and disadvantaged populations, including limited English speaking populations, and which population(s) the proposed intervention will target.
 - Outline who the applicant considers vested stakeholders in the successful operations and how they were or will be identified, and how they will be meaningfully incorporated into the project.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 – 25

- **Outcomes**
 - Clearly identify the measurable outcome(s) that will result from the project.
 - The Department of Health and Human Services/Office of the Assistant Secretary for Health will not fund any project that does not include measurable outcomes.
 - Applicants must describe how they envision their project will benefit the field at large.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 - 25

- **Project Management**

- Clearly delineate the roles and responsibilities of project staff and subrecipients and how they will contribute to achieving the project's objectives and outcomes.
- Specify who would have day-to-day responsibility for key tasks such as: leadership of project; monitoring the project's on-going progress; preparation of reports; and communications with the partners and the Department of Health and Human Services/Office of Assistant Secretary for Health.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 - 25

- **Evaluation**

- Describe the methods that you will use to evaluate whether the proposed intervention achieves its measurable outcome(s) and assess and evaluate the impact of the program activities.
- Describe quantitative and qualitative tools and techniques you will use to measure outcome(s).
- Provide a detailed description on how students will be tracked over the five year period.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM

Application Content (continued) – see FOA pages 18 - 25

- **Dissemination**
 - Describe the method that will be used to disseminate the project’s results and findings in a timely manner and in easily understandable formats to the target audience, the general public, and other parties who might be interested in using the results of the project.

NATIONAL WORKFORCE DIVERSITY PIPELINE PROGRAM
