

# Preconception Peer Education

**Yolonda Spinks, Senior  
The LeMoyne-Owen College  
Memphis TN**

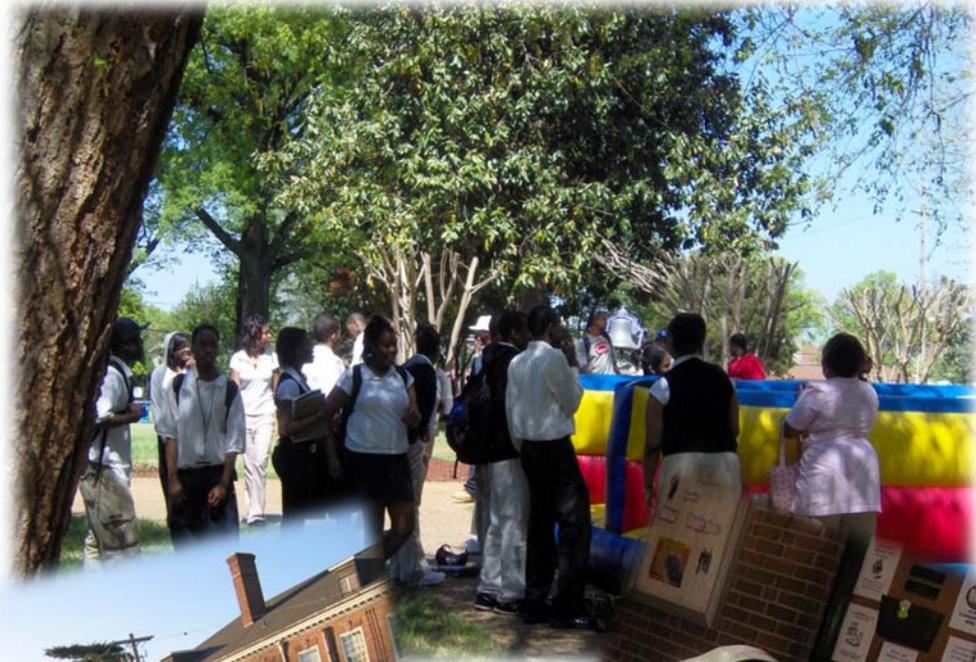

The LeMoyne-Owen peer education program was launched HBCU Wellness Program

# After PPE training

- ▣ Trained Student Health Ambassadors (SHAs) as Preconception Peer Educators (PPEs)
- ▣ Communicated to college students the importance of becoming forerunners in the health community
- ▣ Equipped PPEs with materials to promote the movement , formed teams to spread the message on campus and in the community
